UNIVERSITY**
SCHOOL OF BUSINESS
ADMINISTRATION IN KARVINA

MAY 18–19, 2023

Zámeček Petrovice, Petrovice u Karviné

go.slu.cz/demsme

The conference Decision making for Small and Medium-Sized Enterprises (DEMSME) is a meeting of professionals from universities and businesses interested in the theory and applications of decision-making research using informatics, mathematics, business economics and management, and marketing approaches in the practice of SMEs.

Participants are invited to submit an abstract concerning one or more of the subject areas of the conference (go.slu.cz/demsme) before the deadline for abstract submissions. The abstract should be submitted as a plain text (without references and formulas) to EasyChair submission system. The abstract should have 10-15 lines.

After the acceptance of the abstract and the conference fee is paid, authors are invited to submit papers of 6-10 pages in length including results, figures and references. After review process (2 referees for each paper) evaluation and authors' decision, the best papers will be published in a proceedings that will be submitted to the Thomson Reuters' Social Sciences Citation Index (Web of Science) and (after major revision)/or to special issues or regular issues of our partners' journals.
